**Subject:** FW: Native Village of Tyonek\_NARF Meeting Request Nov 10th, 11th or 12th

FYI-

I think it is unfortunate Rob did not inform us that this request would be forthcoming, and that they are essentially going over the top of us to discuss consultation needs related to the SSC and SEIS when we have a consultation agreement already in place. I have not heard anything from Tyonek or NARF in several months, so this is literally coming out of nowhere. I would suggest we contact Rob ASAP and let him know our thoughts on this request. If they want to meet with folks in DC that is fine, but starting with the Regional office leading our efforts in this project is probably the best place to start. We should discuss.

Hello Marissa:

The Native Village of Tyonek President Alfred Goozmer and Donita Slawson, Tribal Administrator are planning a trip to Washington D.C. November 10th- 12th, 2014. They will be travelling with Heather Kendall Miller / Senior Attorney / Native American Rights Fund (NARF) / and Dr. Alan Boraas / NARF Anthropologist.

We would like to meet with Joann Chase, Ken Kopocis, Mike Shapiro, and David Evans, and to discuss the status of the proposed Chuitna Coal Mine within the Supplemental Environmental Impact Statement, EPA's role as a Cooperating Agency and the future consultation needs pertaining to the Site Specific Criteria Application and throughout the development of the SEIS.

I am writing at this early date to see if we can schedule a meeting during this timeframe. Please know we are available anytime to meet with you on Nov 10, 11th or 12th

Best wishes

Rob Rosenfeld / NARF / NVT Consultant
